WHY IT MATTERS

The sober-curious movement is one of the fastest-growing lifestyle shifts in the U.S. — yet Springfield has lacked a dedicated social space for it. Vine & Vibes fills that gap with a venue that's genuinely fun, genuinely inclusive, and genuinely different: a place for those in recovery, designated drivers, pregnant guests, non-drinkers, and anyone who simply wants a night out without alcohol.

DIFFERENTIATORS

- First dedicated zero-proof cocktail lounge in Springfield, MO
- In-house event coordination — no outside planner required
- BYO-caterer flexibility with full kitchen access
- Curated zero-proof program (Curious Elixirs, Ritual Zero-Proof)
- Built-in entertainment ecosystem — live music, comedy, community events
